

## BRIEF DESCRIPTION

The Employment & Training Administration (ETA) awarded this grant to Kentucky to develop & disseminate state & local workforce & labor market information.

## ACCOMPLISHMENTS

- Produced short-term (2-year) occupation and industry projections.
- Produced and published 2016 KY Population & Labor Force estimates by Sex and Race.
- Continued development and testing of dynamic Industry Profiler report.
- Integrated updated employer information for Find Employer Search Module.
- Began development of dynamic Civilian Labor Force Dashboard.
- Performed ongoing data updates & maintenance of the Workforce Information Database (WIDb).
- Ongoing updates to Labor Market Information Report Library.

## GOALS BY END OF PY17

- Launch dynamic Industry Profiler report.
- Develop staffing patterns & NAICS (industry) time series for statewide projections.
- Produce updated long term, ten-year occupational projections for Kentucky.
- Continue development of Civilian Labor Force Dashboard.

## AREAS OF CONCERN

- Projections estimates for states will not be finalized by the national PMP until July 2018, delaying publications of Career Profiles and the Kentucky Occupational Outlook.
