

# Kentucky Education & Workforce Data Summit

March 31, 2026 at 9:00 AM  
UofL Conference Center at Shelby Campus

Engage with **concurrent sessions spotlighting how Kentucky institutions leverage data and analytics** to boost student and workforce success, listen to a **panel of statewide education and policy leaders**, participate in CPE's **Annual Data Guidelines Meeting**, network with research professionals across the Commonwealth, and more!

This event will serve as the Kentucky Association of Institutional Research (KAIR) Annual Meeting, bringing together institutional research professionals, faculty, policymakers, and workforce leaders to examine how data-informed strategies drive decision-making, foster cross-sector collaboration, and advance student and workforce success.

Early registration is just **\$60** – and covers admission, lunch, & annual KAIR Membership Dues
