

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Adair County High School  
Adair County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	90.9%	90.9%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	29.5%	29.5%	33.7%
b. 2.0 to 2.99	31.8%	31.8%	27.3%
c. 3.0 or higher	38.6%	38.6%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	70.5%	70.5%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	26.3	26.3	24.5
b. Completed	23.6	23.6	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	29.5%	29.5%	37.5%
b. 15 hours to 29.9 hours	50.0%	50.0%	43.6%
c. 30 hours or more	20.5%	20.5%	18.9%

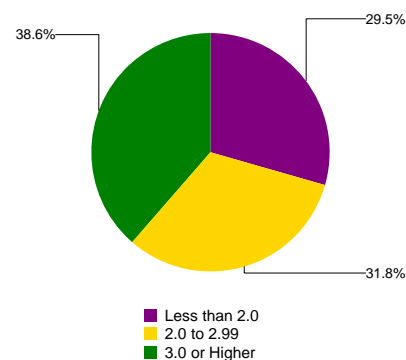

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	3.01	3.01	2.57
b. Not ready for college-level coursework	1.13	1.13	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	25.9	25.9	21.6
b. Not ready for college-level coursework	4.7	4.7	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	96.8%	96.8%	84.1%
b. Not ready for college-level coursework	46.2%	46.2%	63.9%

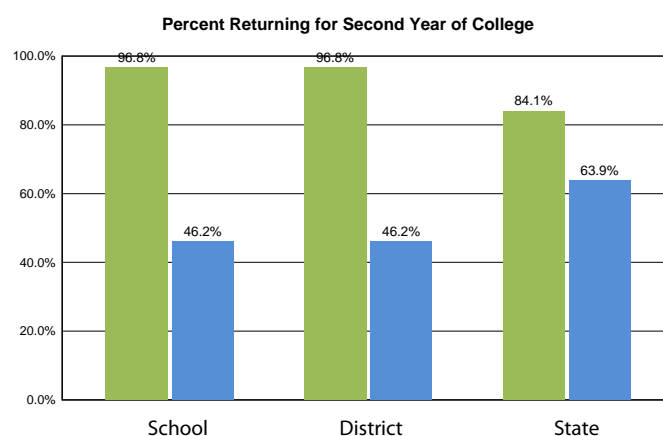

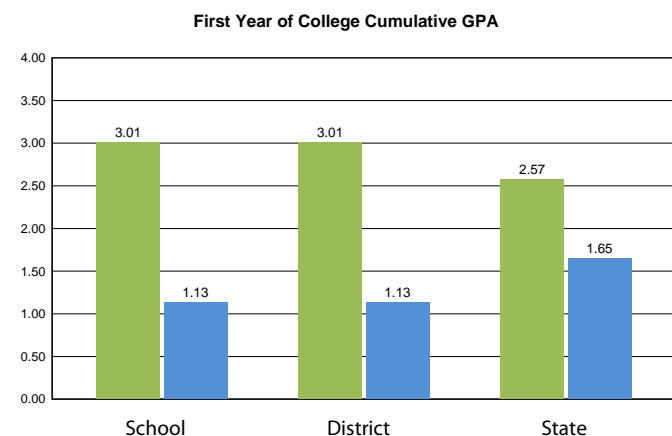

#### Quick Statistics

Percent with first year of college cumulative GPA of 2.0 or higher	70.5%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	20.5%
Percent of college attendees in 2013-14 who returned in 2014-15	82.8%
Average cumulative GPA for these college attendees	
a. High school	3.13
b. First year of college	2.46
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,409

First Year of College Cumulative GPA

### Comparing High School and College Grades

	School	District	Kentucky
9. Average cumulative GPA			
a. High school	3.13	3.13	3.13
b. First year of college	2.46	2.46	2.29
10. Average cumulative grade in math			
a. Senior year of high school	2.57	2.57	2.85
b. First year of college	2.72	2.72	2.25
11. Average cumulative grade in English			
a. Senior year of high school	3.19	3.19	3.11
b. First year of college	3.06	3.06	2.63
12. Average cumulative grade in science			
a. Senior year of high school	2.48	2.48	3.00
b. First year of college	2.78	2.78	2.37

Average Cumulative GPAs for Graduates of this School

### B. What types of financial aid did in-state public college and university attendees from this school receive?

#### State Aid

	School	District	Kentucky
13. Average Kentucky Educational Excellence Scholarship (KEES) award	\$1,409	\$1,409	\$1,444
14. State grants			
a. Average need-based grant	\$884	\$884	\$551
b. Average non-need grant	\$1,340	\$1,340	\$1,262

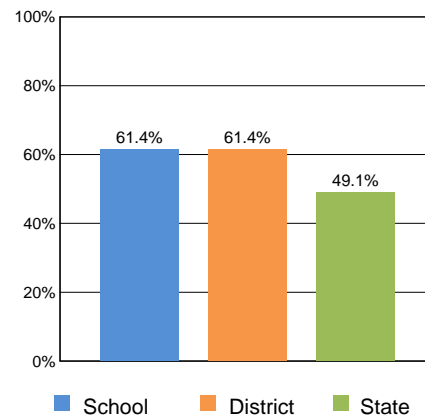

#### Federal Aid

15. Average Pell grant	\$4,329	\$4,329	\$3,970
16. Federal loans			
a. Average need-based loan	\$2,164	\$2,164	\$1,572
b. Average non-need loan	\$1,222	\$1,222	\$993

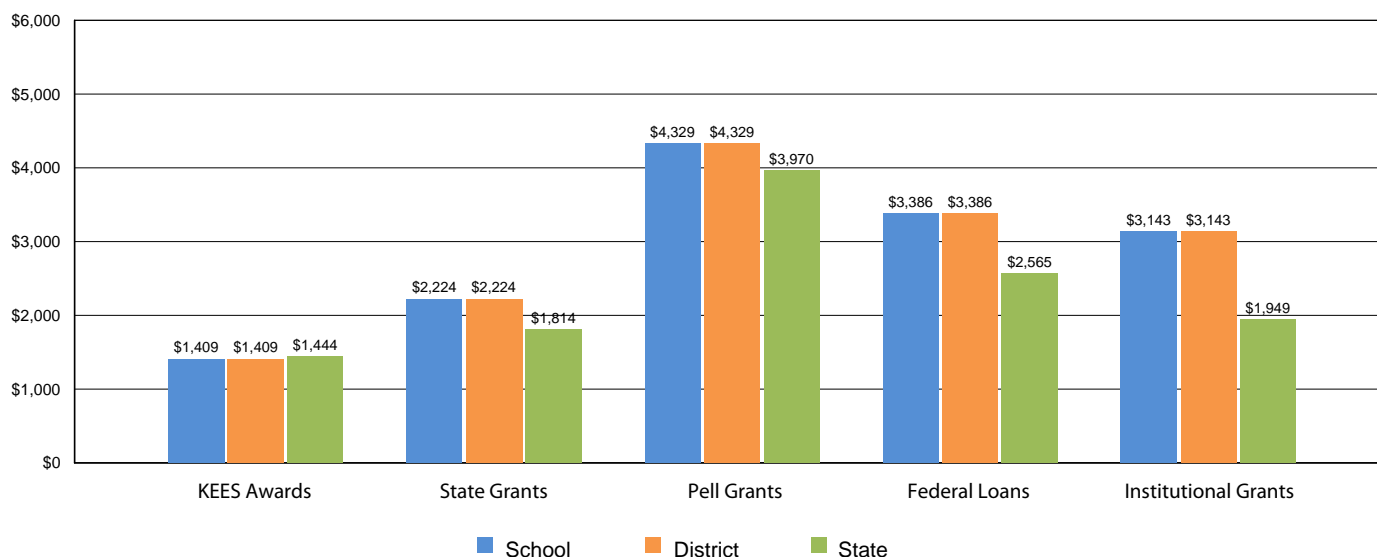

#### Institutional Aid

17. Average institutional grant	\$3,143	\$3,143	\$1,949

## High School Graduating Class of 2013

Augusta Independent School  
Augusta Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	100.0%	100.0%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	20.0%	20.0%	33.7%
b. 2.0 to 2.99	30.0%	30.0%	27.3%
c. 3.0 or higher	50.0%	50.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	60.0%	60.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	27.5	27.5	24.5
b. Completed	25.6	25.6	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	20.0%	20.0%	37.5%
b. 15 hours to 29.9 hours	70.0%	70.0%	43.6%
c. 30 hours or more	10.0%	10.0%	18.9%

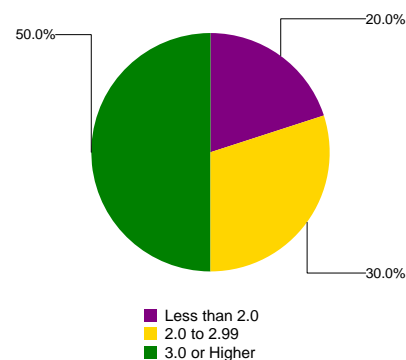

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	*	*	2.57
b. Not ready for college-level coursework	*	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	*	*	21.6
b. Not ready for college-level coursework	*	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	*	*	84.1%
b. Not ready for college-level coursework	*	*	63.9%

#### Quick Statistics

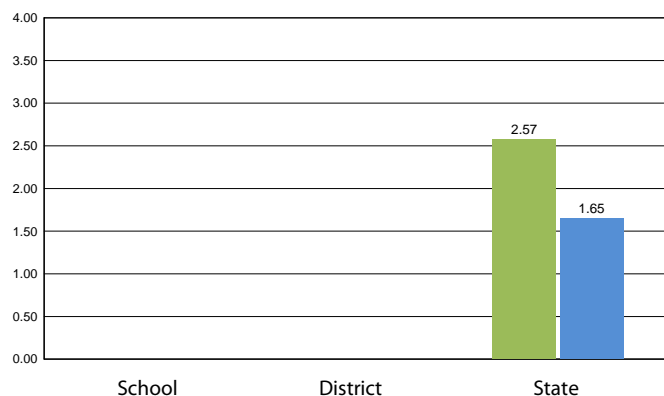

Percent with first year of college cumulative GPA of 2.0 or higher	80.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	10.0%
Percent of college attendees in 2013-14 who returned in 2014-15	100.0%
Average cumulative GPA for these college attendees	
a. High school	3.56
b. First year of college	2.94
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,814

# Kentucky High School Feedback Report on College Success

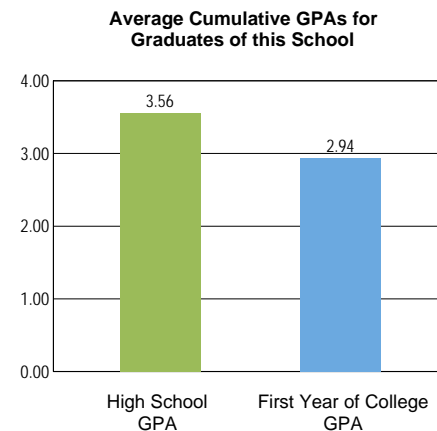

## High School Graduating Class of 2013

Larry A. Ryle High School  
Boone County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	94.6%	92.7%	90.0%
2. Percent with first year of college cumulative GPA of

## High School Graduating Class of 2013

Boyle County High School  
Boyle County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	95.9%	95.9%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	28.9%	28.9%	33.7%
b. 2.0 to 2.99	23.7%	23.7%	27.3%

## High School Graduating Class of 2013

Butler County High School  
Butler County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	98.0%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	26.0%	*	33.7%
b. 2.0 to 2.99	32.0%	*	27.3%
c. 3.0 or higher	42.0%	*	39.0%

## High School Graduating Class of 2013

Campbellsville High School  
Campbellsville Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

# West Carter County High School

## Carter County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	91.0%	92.9%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	30.8%	31.4%	33.7%
b. 2.0 to 2.99	32.1%	30.1%	27.3%
c. 3.0 or higher	37.2%	38.5%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	80.8%	80.8%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.8	25.2	24.5
b. Completed	22.4	22.4	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	37.2%	35.3%	37.5%
b. 15 hours to 29.9 hours	42.3%	46.2%	43.6%
c. 30 hours or more	20.5%	18.6%	18.9%

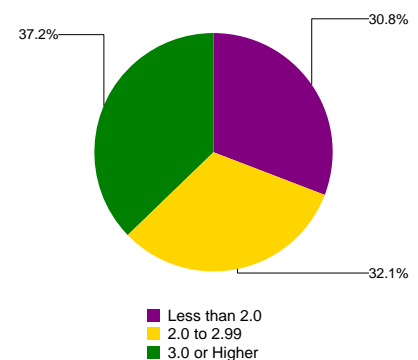

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.52	2.48	2.57
b. Not ready for college-level coursework	1.52	1.72	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	20.1	19.7	21.6
b. Not ready for college-level coursework	8.7	11.2	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	82.5%	82.5%	84.1%
b. Not ready for college-level coursework	53.3%	56.7%	63.9%

#### Quick Statistics

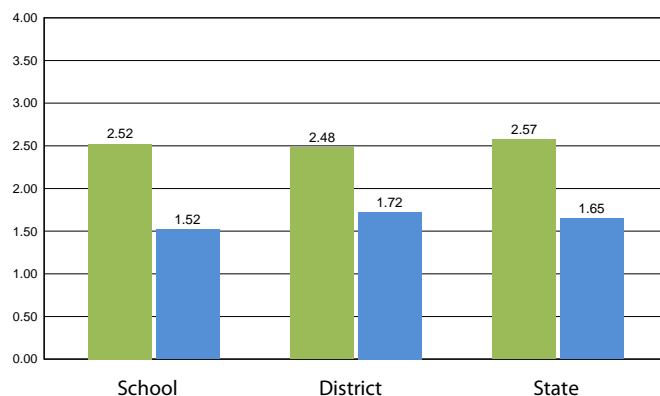

Percent with first year of college cumulative GPA of 2.0 or higher	69.2%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	20.5%
Percent of college attendees in 2013-14 who returned in 2014-15	77.1%
Average cumulative GPA for these college attendees	
a. High school	3.29
b. First year of college	2.33

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Hopkinsville High School  
Christian County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	92.4%	91.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	42.0%	45.1%	33.7%
b. 2.0 to 2.99	29.4%	28.3%	27.3%
c. 3.0 or higher	28.6%	26.6%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	72.3%	70.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.5	24.1	24.5
b. Completed	22.3	22.1	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	37.8%	42.2%	37.5%
b. 15 hours to 29.9 hours	46.2%	43.9%	43.6%
c. 30 hours or more	16.0%	13.9%	18.9%

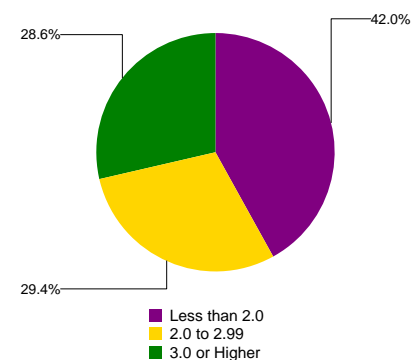

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.38	2.36	2.57
b. Not ready for college-level coursework	1.32	1.23	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	20.4	19.9	21.6
b. Not ready for college-level coursework	10.1	9.3	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	76.7%	74.9%	84.1%
b. Not ready for college-level coursework	57.6%	53.4%	63.9%

#### Quick Statistics

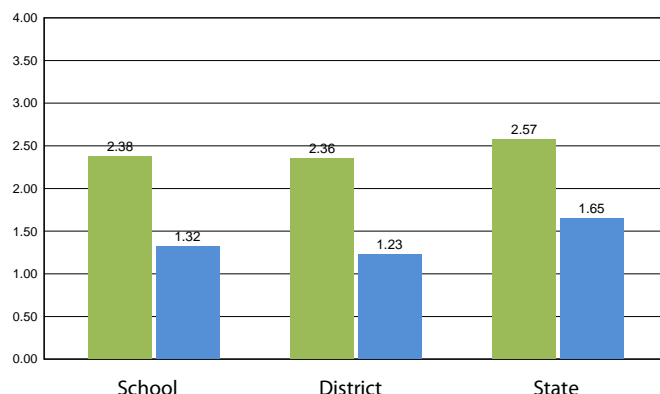

Percent with first year of college cumulative GPA of 2.0 or higher	58.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	16.0%
Percent of college attendees in 2013-14 who returned in 2014-15	70.9%
Average cumulative GPA for these college attendees	
a. High school	3.14
b. First year of college	2.08

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	*	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	*	*	33.7%
b. 2.0 to 2.99	*	*	27.3%
c. 3.0 or higher	*	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	*	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	*	*	24.5
b. Completed	*	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	*	*	37.5%
b. 15 hours to 29.9 hours	*	*	43.6%
c. 30 hours or more	*	*	18.9%

#### Quick Statistics

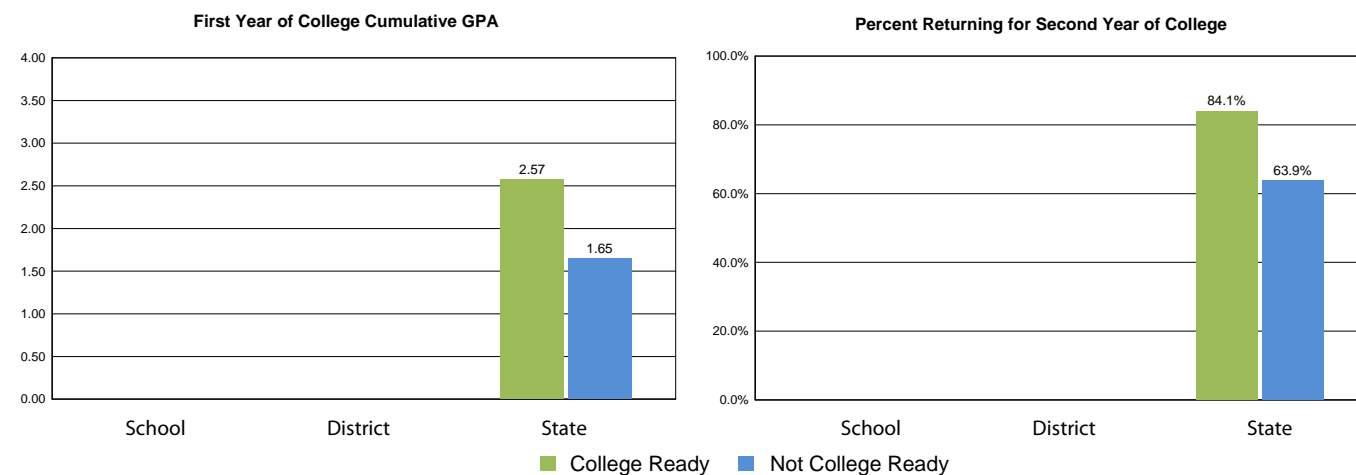

Percent with first year of college cumulative GPA of 2.0 or higher	0.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	0.0%
Percent of college attendees in 2013-14 who returned in 2014-15	0.0%
Average cumulative GPA for these college attendees	
a. High school	0.00
b. First year of college	0.00
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$0

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	*	*	2.57
b. Not ready for college-level coursework	*	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	*	*	21.6
b. Not ready for college-level coursework	*	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	*	*	84.1%
b. Not ready for college-level coursework	*	*	63.9%

Graph redacted due to small counts.

## High School Graduating Class of 2013

Danville High School  
Danville Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	88.9%	88.9%	90.0%
2. Percent with first year of college cumulative GPA of

## High School Graduating Class of 2013

Dayton High School  
Dayton Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	88.0%	88.0%	90.0%
2. Percent with first year of college cumulative GPA of

# Kentucky High School Feedback Report on College Success

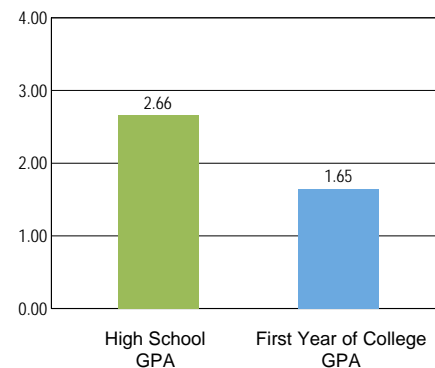

## High School Graduating Class of 2013

Paul Laurence Dunbar High School  
Fayette County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	89.7%	90.2%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	29.3%	33.8%	33.7%

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

South Floyd High School  
Floyd County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	86.5%	91.6%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	54.1%	39.5%	33.7%
b. 2.0 to 2.99	18.9%	26.0%	27.3%
c. 3.0 or higher	27.0%	34.4%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	64.9%	66.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.3	23.8	24.5
b. Completed	18.7	21.5	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	62.2%	42.8%	37.5%

# Gallatin County High School

## Gallatin County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	90.5%	90.5%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	19.0%	19.0%	33.7%
b. 2.0 to 2.99	38.1%	38.1%	27.3%
c. 3.0 or higher	42.9%	42.9%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	71.4%	71.4%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.8	25.8	24.5
b. Completed	23.8	23.8	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	28.6%	28.6%	37.5%
b. 15 hours to 29.9 hours	45.2%	45.2%	43.6%

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	89.4%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	33.9%	*	33.7%
b. 2.0 to 2.99	31.2%	*	27.3%
c. 3.0 or higher	34.9%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	70.4%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.7	*	24.5
b. Completed	22.3	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	33.3%	*	37.5%
b. 15 hours to 29.9 hours	51.3%	*	43.6%
c. 30 hours or more	15.3%	*	18.9%

# Kentucky High School Feedback Report on College Success

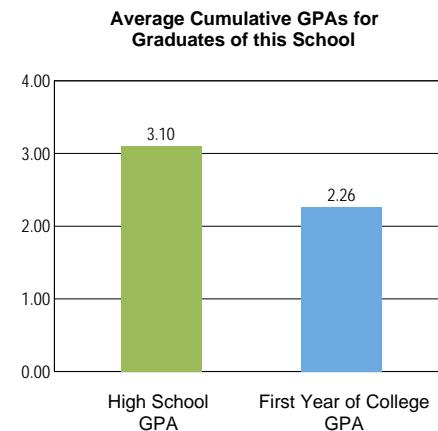

## High School Graduating Class of 2013

# Hancock County High School

## Hancock County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	95.8%	95.8%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	43.8%	43.8%	33.7%
b. 2.0 to 2.99	27.1%	27.1%	27.3%
c. 3.0 or higher	29.2%	29.2%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	85.4%	85.4%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.9	24.9	24.5
b. Completed	22.4	22.4	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	35.4%	35.4%	37.5%
b. 15 hours to 29.9 hours	56.3%	56.3%	43.6%
c. 30 hours or more	8.3%	8.3%	18.9%

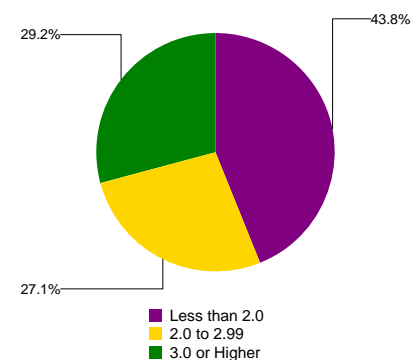

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	*	*	2.57
b. Not ready for college-level coursework	*	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	*	*	21.6
b. Not ready for college-level coursework	*	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	*	*	84.1%
b. Not ready for college-level coursework	*	*	63.9%

#### Quick Statistics

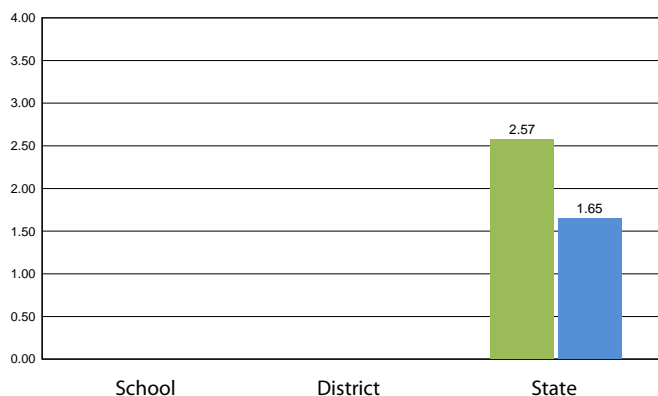

Percent with first year of college cumulative GPA of 2.0 or higher	56.3%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	8.3%
Percent of college attendees in 2013-14 who returned in 2014-15	80.9%
Average cumulative GPA for these college attendees	
a. High school	3.16
b. First year of college	2.04
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,424

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Harlan County High School  
Harlan County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	95.9%	95.9%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	28.1%	28.1%	33.7%
b. 2.0 to 2.99	15.7%	15.7%	27.3%
c. 3.0 or higher	56.2%	56.2%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	52.9%	52.9%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.7	25.7	24.5
b. Completed	23.4	23.4	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	38.0%	38.0%	37.5%
b. 15 hours to 29.9 hours	47.1%	47.1%	43.6%
c. 30 hours or more	14.9%	14.9%	18.9%

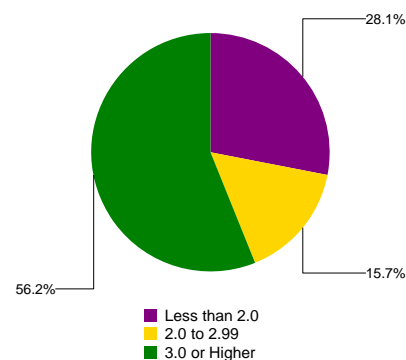

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.98	2.98	2.57
b. Not ready for college-level coursework	2.39	2.39	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	21.9	21.9	21.6
b. Not ready for college-level coursework	14.1	14.1	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	87.5%	87.5%	84.1%
b. Not ready for college-level coursework	71.9%	71.9%	63.9%

#### Quick Statistics

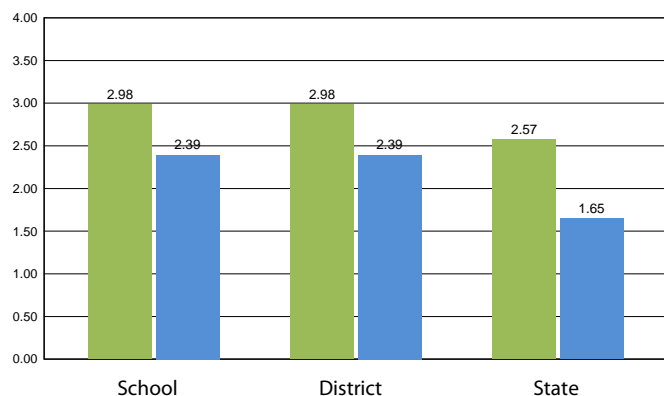

Percent with first year of college cumulative GPA of 2.0 or higher	71.9%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	14.9%
Percent of college attendees in 2013-14 who returned in 2014-15	80.9%
Average cumulative GPA for these college attendees	
a. High school	3.18
b. First year of college	2.70
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,311

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	93.8%	93.8%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	39.6%	39.6%	33.7%
b. 2.0 to 2.99	31.3%	31.3%	27.3%
c. 3.0 or higher	29.2%	29.2%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	41.7%	41.7%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.7	24.7	24.5
b. Completed	22.5	22.5	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	37.5%	37.5%	37.5%
b. 15 hours to 29.9 hours	47.9%	47.9%	43.6%
c. 30 hours or more	14.6%	14.6%	18.9%

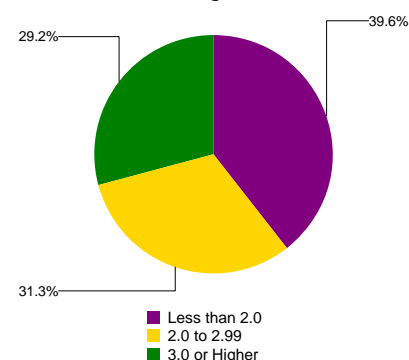

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.69	2.69	2.57
b. Not ready for college-level coursework	1.57	1.57	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	24.4	24.4	21.6
b. Not ready for college-level coursework	11.0	11.0	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	90.0%	90.0%	84.1%
b. Not ready for college-level coursework	71.4%	71.4%	63.9%

#### Quick Statistics

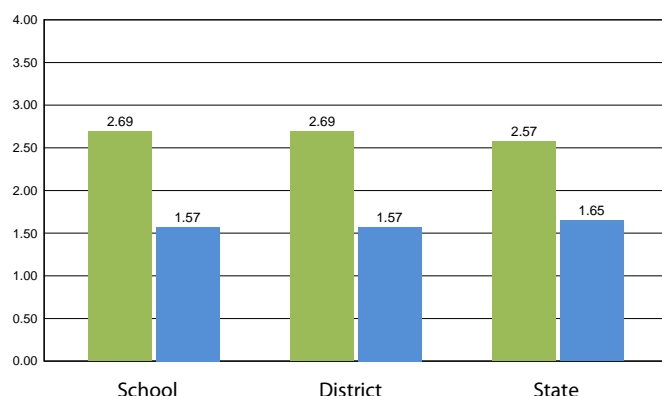

Percent with first year of college cumulative GPA of 2.0 or higher	60.4%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	14.6%
Percent of college attendees in 2013-14 who returned in 2014-15	79.4%
Average cumulative GPA for these college attendees	
a. High school	3.15
b. First year of college	2.04
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,252

## Jefferson County Public Schools

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	80.7%	84.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	43.6%	35.5%	33.7%
b. 2.0 to 2.99	31.4%	28.7%	27.3%
c. 3.0 or higher	25.0%	35.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	61.4%	64.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.6	23.7	24.5
b. Completed	20.6	21.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	46.4%	40.8%	37.5%
b. 15 hours to 29.9 hours	39.3%	42.0%	43.6%

# Jeffersontown High School

## Jefferson County Public Schools

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	79.8%	84.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	48.8%	35.5%	33.7%
b. 2.0 to 2.99	28.6%	28.7%	27.3%
c. 3.0 or higher	22.6%	35.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	58.3%	64.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	21.2	23.7	24.5
b. Completed	18.8	21.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	59.5%	40.8%	37.5%

# Kentucky High School Feedback Report on College Success

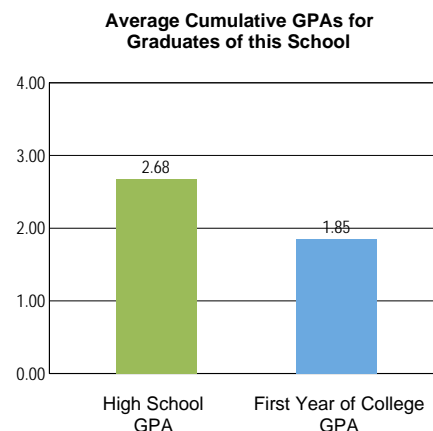

## High School Graduating Class of 2013

Doss High  
Jefferson County Public Schools

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	78.8%	84.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	53.8%	35.5%	33.7%
b. 2.0 to 2.99	26.9%	28.7%	27.3%
c. 3.0 or higher	19.2%	35.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	32.7%	64.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	19.9	23.7	24.5
b. Completed	18.1	21.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	65.4%	40.8%	37.5%
b. 15 hours to 29.9 hours	30.8%	42.0%	43.6%
c. 30 hours or more	3.8%	17.2%	18.9%

# Kentucky High School Feedback Report on College Success

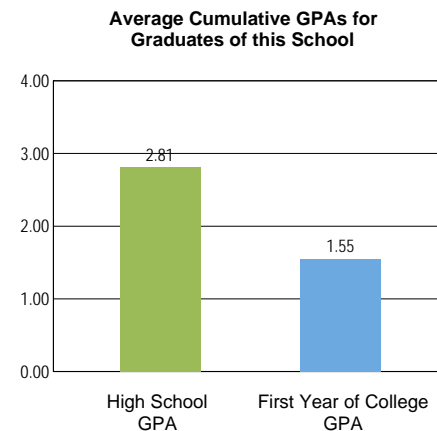

## High School Graduating Class of 2013

Central High School  
Jefferson County Public Schools

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	81.7%	84.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	43.9%	35.5%	33.7%
b. 2.0 to 2.99	33.5%	28.7%	27.3%
c. 3.0 or higher	22.6%	35.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	39.0%	64.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	23.1	23.7	24.5
b. Completed	20.8	21.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	53.0%	40.8%	37.5%
b. 15 hours to 29.9 hours	40.9%	42.0%	43.6%
c. 30 hours or more	6.1%	17.2%	18.9%

## High School Graduating Class of 2013

Jenkins Independent School  
Jenkins Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	100.0%	100.0%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	46.7%	46.7%	33.7%
b. 2.0 to 2.99	13.3%	13.3%	27.3%
c. 3.0 or higher	40.0%	40.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	80.0%	80.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.5	25.5	24.5
b. Completed	23.2	23.2	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	26.7%	26.7%	37.5%
b. 15 hours to 29.9 hours	66.7%	66.7%	43.6%

# Kentucky High School Feedback Report on College Success

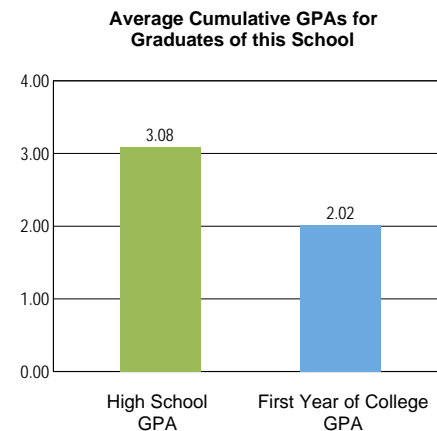

## High School Graduating Class of 2013

Dixie Heights High School  
Kenton County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	92.6%	90.2%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	27.0%	20.9%	33.7%
b. 2.0 to 2.99	22.8%	29.9%	27.3%
c. 3.0 or higher	50.3%	49.3%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	70.4%	71.6%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	26.7	26.1	24.5
b. Completed	24.8	24.4	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	25.4%	25.5%	37.5%
b. 15 hours to 29.9 hours	43.9%	45.1%	43.6%
c. 30 hours or more	30.7%	29.4%	18.9%

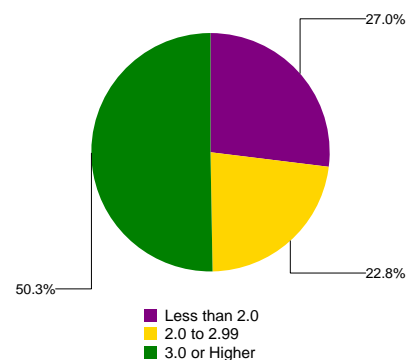

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.70	2.77	2.57
b. Not ready for college-level coursework	2.31	2.27	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	23.7	24.3	21.6
b. Not ready for college-level coursework	15.5	13.5	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	88.0%	90.4%	84.1%
b. Not ready for college-level coursework	80.4%	76.5%	63.9%

#### Quick Statistics

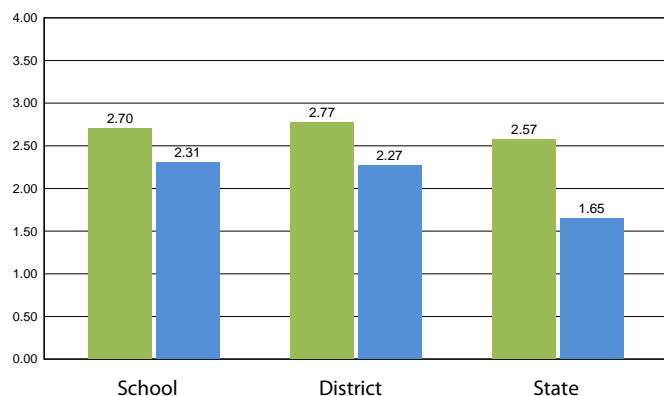

Percent with first year of college cumulative GPA of 2.0 or higher	73.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	30.7%
Percent of college attendees in 2013-14 who returned in 2014-15	84.6%

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

# Knott County Central High School

## Knott County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	90.0%	89.0%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	42.5%	44.0%	33.7%
b. 2.0 to 2.99	25.0%	22.0%	27.3%
c. 3.0 or higher	32.5%	34.1%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	52.5%	47.3%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	23.6	22.9	24.5
b. Completed	20.7	20.0	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	55.0%	57.1%	37.5%
b. 15 hours to 29.9 hours	27.5%	26.4%	43.6%
c. 30 hours or more	17.5%	16.5%	18.9%

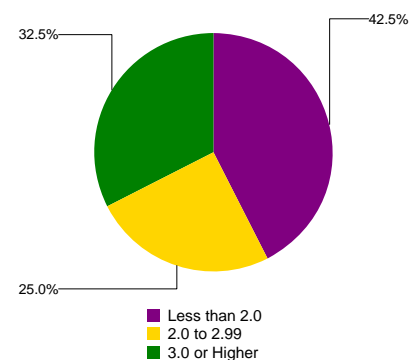

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.49	2.43	2.57
b. Not ready for college-level coursework	1.70	1.74	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	19.9	19.4	21.6
b. Not ready for college-level coursework	9.8	9.9	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	83.3%	81.4%	84.1%
b. Not ready for college-level coursework	68.4%	68.8%	63.9%

#### Quick Statistics

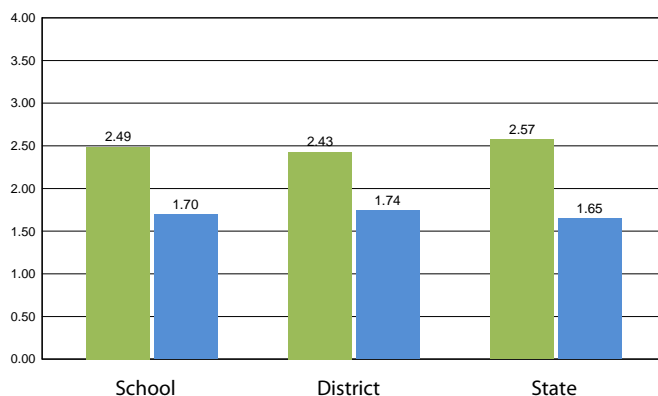

Percent with first year of college cumulative GPA of 2.0 or higher	57.5%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	17.5%
Percent of college attendees in 2013-14 who returned in 2014-15	80.2%

## High School Graduating Class of 2013

Leslie County High School  
Leslie County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	91.3%	91.3%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	33.3%	33.3%	33.7%
b. 2.0 to 2.99	24.6%	24.6%	27.3%
c. 3.0 or higher	42.0%	42.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	78.3%	78.3%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	23.2	23.2	24.5
b. Completed	21.1	21.1	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	43.5%	43.5%	37.5%
b. 15 hours to 29.9 hours	44.9%	44.9%	43.6%
c. 30 hours or more	11.6%	11.6%	18.9%

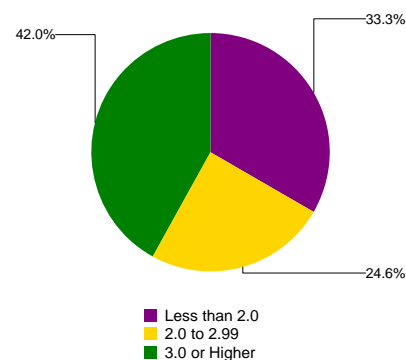

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.63	2.63	2.57
b. Not ready for college-level coursework	1.04	1.04	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	20.0	20.0	21.6
b. Not ready for college-level coursework	5.8	5.8	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	81.5%	81.5%	84.1%
b. Not ready for college-level coursework	46.7%	46.7%	63.9%

#### Quick Statistics

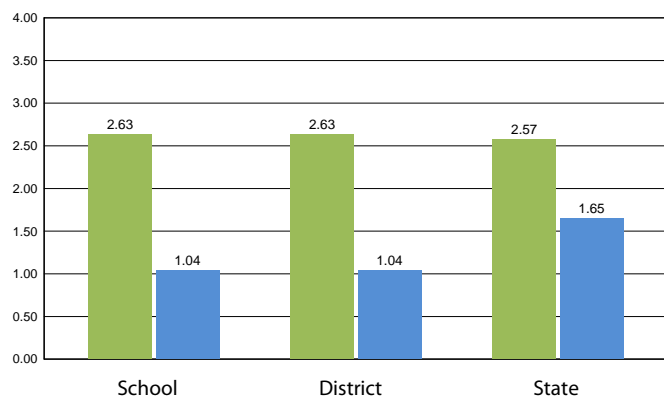

Percent with first year of college cumulative GPA of 2.0 or higher	66.7%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	11.6%

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Livingston Central High School  
Livingston County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	98.0%	98.0%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	22.0%	22.0%	33.7%
b. 2.0 to 2.99	40.0%	40.0%	27.3%
c. 3.0 or higher	38.0%	38.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	70.0%	70.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	26.0	26.0	24.5
b. Completed	23.7	23.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	30.0%	30.0%	37.5%
b. 15 hours to 29.9 hours	58.0%	58.0%	43.6%
c. 30 hours or more	12.0%	12.0%	18.9%

# Kentucky High School Feedback Report on College Success

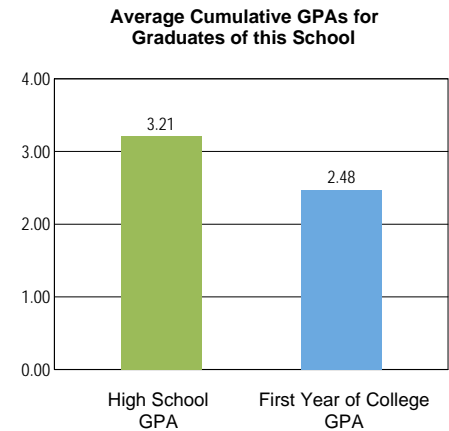

## High School Graduating Class of 2013

**Madison Central High School**  
**Madison County**

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	95.0%	95.8%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	32.3%	29.2%	33.7%
b. 2.0 to 2.99	23.9%	26.1%	27.3%
c. 3.0 or higher	43.8%	44.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	57.7%	61.2%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	26.1	26.2	24.5
b. Completed	24.6	24.9	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	32.3%	29.5%	37.5%
b. 15 hours to 29.9 hours	45.8%	47.3%	43.6%
c. 30 hours or more	21.9%	23.2%	18.9%

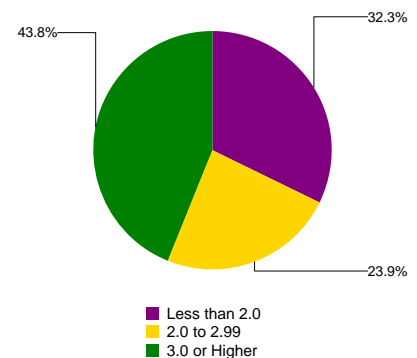

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.88	2.87	2.57
b. Not ready for college-level coursework	1.70	1.85	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	24.0	24.1	21.6
b. Not ready for college-level coursework	14.0	14.5	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	84.5%	83.8%	84.1%
b. Not ready for college-level coursework	70.6%	71.5%	63.9%

#### Quick Statistics

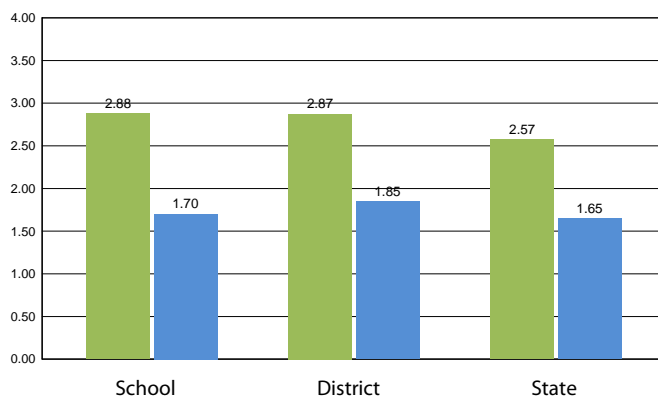

Percent with first year of college cumulative GPA of 2.0 or higher	67.7%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	21.9%
Percent of college attendees in 2013-14 who returned in 2014-15	78.4%

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Marion County High School  
Marion County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	87.4%	87.4%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	25.3%	25.3%	33.7%
b. 2.0 to 2.99	29.9%	29.9%	27.3%
c. 3.0 or higher	44.8%	44.8%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	72.4%	72.4%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.2	25.2	24.5
b. Completed	22.9	22.9	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	27.6%	27.6%	37.5%
b. 15 hours to 29.9 hours	52.9%	52.9%	43.6%
c. 30 hours or more	19.5%	19.5%	18.9%

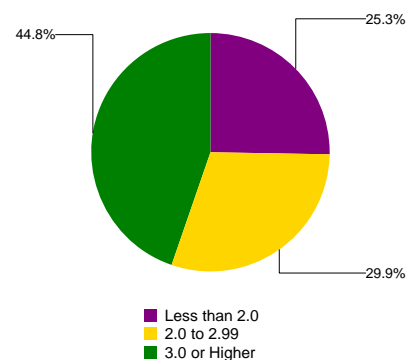

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.77	2.77	2.57
b. Not ready for college-level coursework	1.79	1.79	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	23.2	23.2	21.6
b. Not ready for college-level coursework	9.8	9.8	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	90.5%	90.5%	84.1%
b. Not ready for college-level coursework	79.2%	79.2%	63.9%

#### Quick Statistics

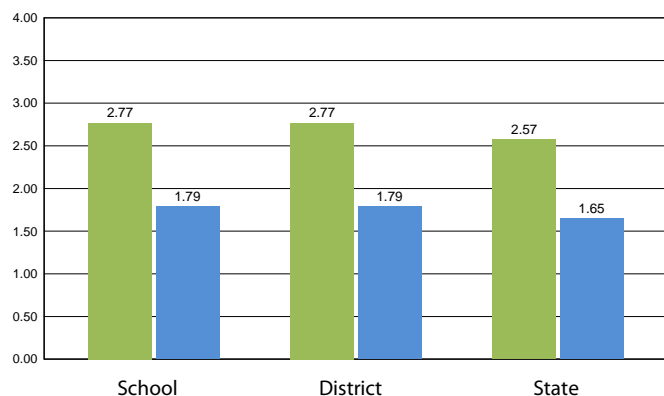

Percent with first year of college cumulative GPA of 2.0 or higher	74.7%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	19.5%
Percent of college attendees in 2013-14 who returned in 2014-15	82.5%
Average cumulative GPA for these college attendees

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Mayfield High School  
Mayfield Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	89.1%	89.1%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	54.3%	54.3%	33.7%
b. 2.0 to 2.99	21.7%	21.7%	27.3%
c. 3.0 or higher	23.9%	23.9%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	76.1%	76.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.9	22.9	24.5
b. Completed	19.7	19.7	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	50.0%	50.0%	37.5%
b. 15 hours to 29.9 hours	41.3%	41.3%	43.6%
c. 30 hours or more	8.7%	8.7%	18.9%

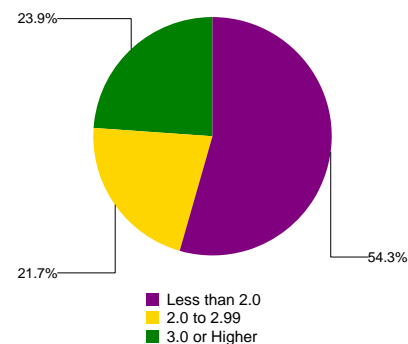

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	1.96	1.96	2.57
b. Not ready for college-level coursework	0.71	0.71	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	17.4	17.4	21.6
b. Not ready for college-level coursework	5.0	5.0	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	80.0%	80.0%	84.1%
b. Not ready for college-level coursework	54.5%	54.5%	63.9%

#### Quick Statistics

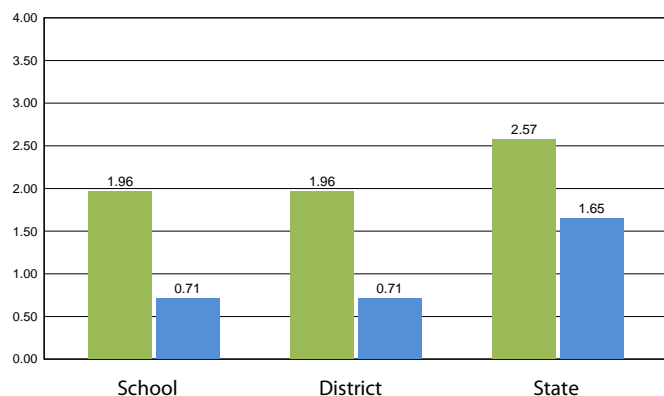

Percent with first year of college cumulative GPA of 2.0 or higher	45.7%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	8.7%
Percent of college attendees in 2013-14 who returned in 2014-15	72.0%
Average cumulative GPA for these college attendees	
a. High school	3.31
b. First year of college	1.66
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,575

# Kentucky High School Feedback Report on College Success

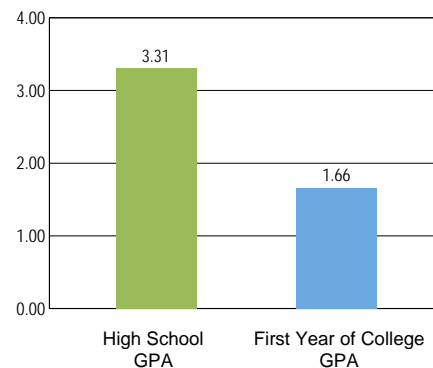

## High School Graduating Class of 2013

# McCreary Central High School

## McCreary County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	95.3%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	38.4%	*	33.7%
b. 2.0 to 2.99	33.7%	*	27.3%
c. 3.0 or higher	27.9%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	55.8%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	23.7	*	24.5
b. Completed	22.0	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	47.7%	*	37.5%
b. 15 hours to 29.9 hours	44.2%	*	43.6%
c. 30 hours or more	8.1%	*	18.9%

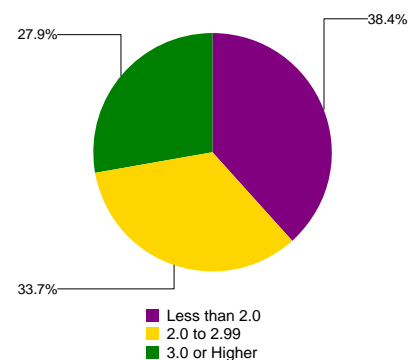

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.43	*	2.57
b. Not ready for college-level coursework	1.58	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	18.3	*	21.6
b. Not ready for college-level coursework	11.4	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	77.1%	*	84.1%
b. Not ready for college-level coursework	63.2%	*	63.9%

#### Quick Statistics

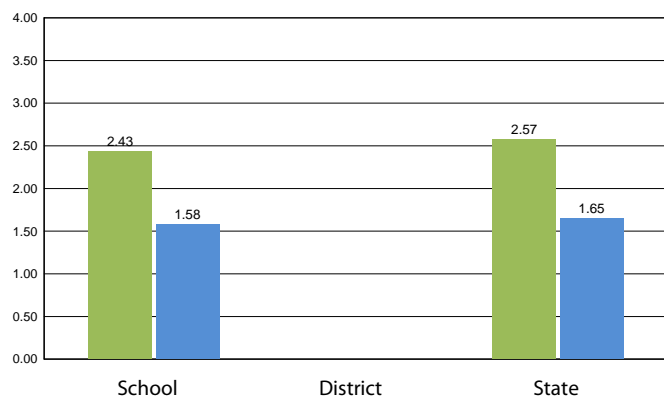

Percent with first year of college cumulative GPA of 2.0 or higher	61.6%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	8.1%
Percent of college attendees in 2013-14 who returned in 2014-15	72.4%
Average cumulative GPA for these college attendees	
a. High school	3.23
b. First year of college	2.06
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,337

## Mercer County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	90.7%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	28.9%	*	33.7%
b. 2.0 to 2.99	28.9%	*	27.3%
c. 3.0 or higher	42.3%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	62.9%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.8	*	24.5
b. Completed	22.1	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	39.2%	*	37.5%
b. 15 hours to 29.9 hours	42.3%	*	43.6%
c. 30 hours or more	18.6%	*	18.9%

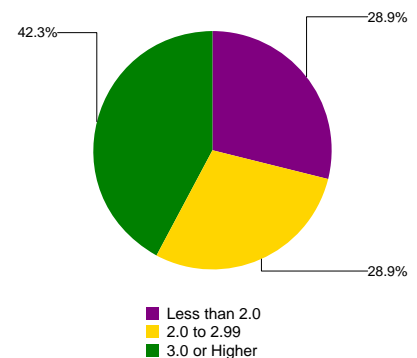

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.67	*	2.57
b. Not ready for college-level coursework	2.02	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	21.3	*	21.6
b. Not ready for college-level coursework	10.4	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	82.0%	*	84.1%
b. Not ready for college-level coursework	52.8%	*	63.9%

#### Quick Statistics

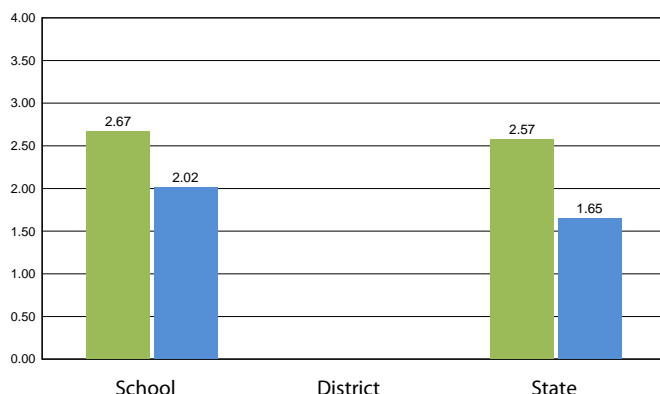

Percent with first year of college cumulative GPA of 2.0 or higher	71.1%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	18.6%
Percent of college attendees in 2013-14 who returned in 2014-15	75.2%
Average cumulative GPA for these college attendees	
a. High school	3.22
b. First year of college	2.43
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,553

### Comparing High School and College Grades

	School	District	Kentucky
9. Average cumulative GPA			
a. High school	3.22	*	3.13
b. First year of college	2.43	*	2.29
10. Average cumulative grade in math			
a. Senior year of high school	3.14	*	2.85
b. First year of college	2.47	*	2.25
11. Average cumulative grade in English			
a. Senior year of high school	3.31	*	3.11
b. First year of college	2.66	*	2.63
12. Average cumulative grade in science			
a. Senior year of high school	3.32	*	3.00
b. First year of college	2.24	*	2.37

### B. What types of financial aid did in-state public college and university attendees from this school receive?

#### State Aid

	School	District	Kentucky
13. Average Kentucky Educational Excellence Scholarship (KEES) award	\$1,553	*	\$1,444
14. State grants			
a. Average need-based grant	\$621	*	\$551
b. Average non-need grant	\$1,283	*	\$1,262

#### Federal Aid

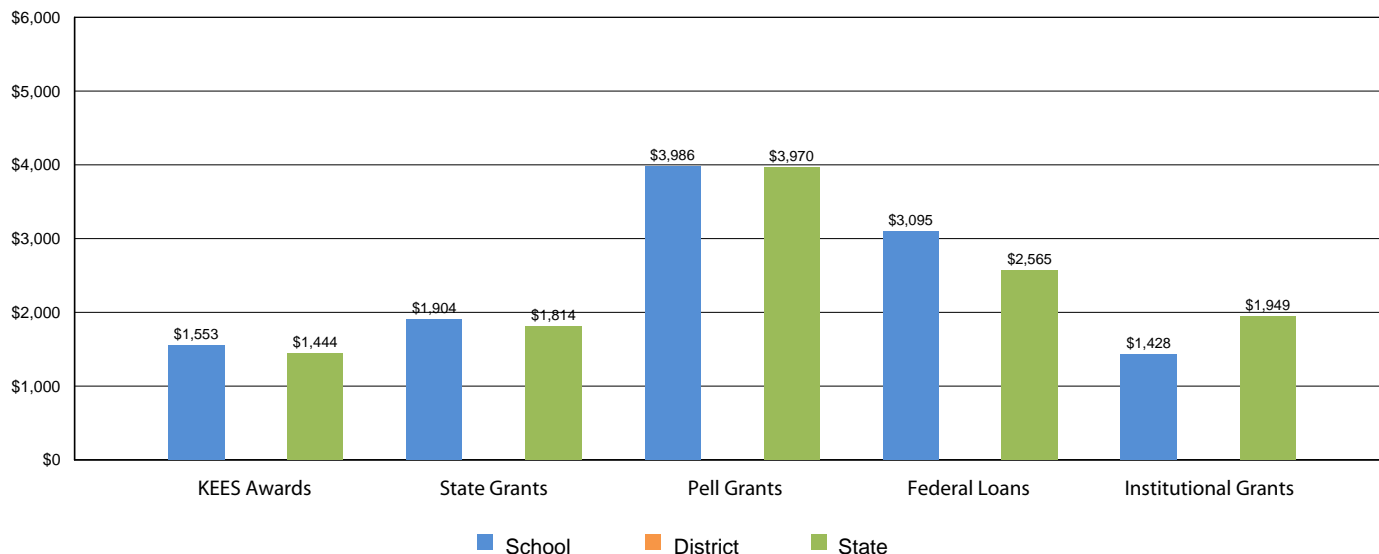

15. Average Pell grant	\$3,986	*	\$3,970
16. Federal loans			
a. Average need-based loan	\$1,877	*	\$1,572
b. Average non-need loan	\$1,226	*	\$993

#### Institutional Aid

17. Average institutional grant	\$1,428	*	\$1,949

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

Nelson County High School  
Nelson County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	87.5%	87.5%	90.0%
2. Percent with first year of college cumulative GPA of

## High School Graduating Class of 2013

Owensboro High School  
Owensboro Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	87.5%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	61.5%	*	33.7%
b. 2.0 to 2.99	17.3%	*	27.3%
c. 3.0 or higher	21.2%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	67.3%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.5	*	24.5
b. Completed	18.9	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	59.6%	*	37.5%
b. 15 hours to 29.9 hours	29.8%	*	43.6%
c. 30 hours or more	10.6%	*	18.9%

## High School Graduating Class of 2013

Paris High School  
Paris Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	91.7%	91.7%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	41.7%	41.7%	33.7%
b. 2.0 to 2.99	33.3%	33.3%	27.3%
c. 3.0 or higher	25.0%	25.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	66.7%	66.7%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	26.4	26.4	24.5
b. Completed	23.2	23.2	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	41.7%	41.7%	37.5%
b. 15 hours to 29.9 hours	44.4%	44.4%	43.6%
c. 30 hours or more	13.9%	13.9%	18.9%

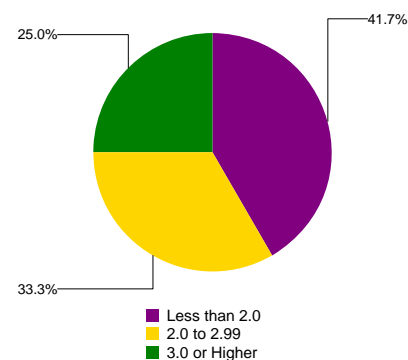

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.46	2.46	2.57
b. Not ready for college-level coursework	1.23	1.23	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	21.7	21.7	21.6
b. Not ready for college-level coursework	9.4	9.4	10.1
8. Percent who returned for second year of college

# Kentucky High School Feedback Report on College Success

## High School Graduating Class of 2013

East Ridge High School  
Pike County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	90.1%	92.7%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	52.1%	39.6%	33.7%
b. 2.0 to 2.99	22.5%	20.8%	27.3%
c. 3.0 or higher	25.4%	39.6%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	64.8%	60.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.0	23.9	24.5
b. Completed	19.5	21.3	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	57.7%	45.6%	37.5%
b. 15 hours to 29.9 hours	36.6%	41.7%	43.6%
c. 30 hours or more	5.6%	12.7%	18.9%

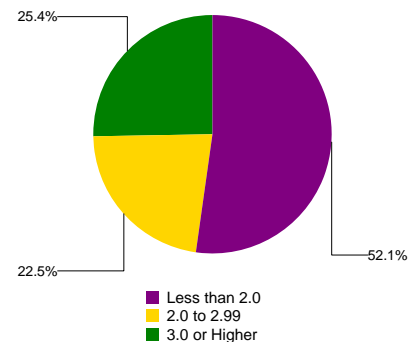

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	1.97	2.41	2.57
b. Not ready for college-level coursework	1.39	1.69	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	14.1	18.8	21.6
b. Not ready for college-level coursework	8.4	10.1	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	73.9%	78.4%	84.1%
b. Not ready for college-level coursework	48.0%	62.1%	63.9%

#### Quick Statistics

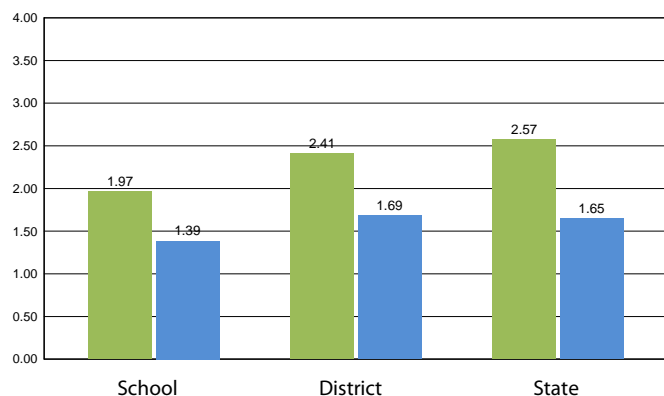

Percent with first year of college cumulative GPA of 2.0 or higher	47.9%

# Kentucky High School Feedback Report on College Success

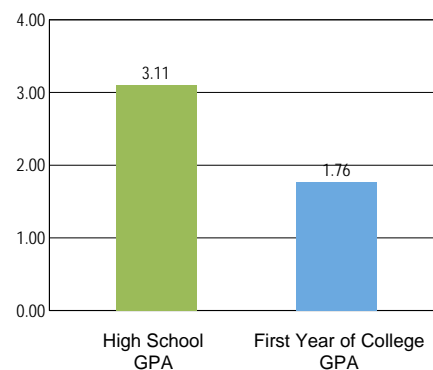

## High School Graduating Class of 2013

Shelby Valley High School  
Pike County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	92.2%	92.7%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	49.4%	39.6%	33.7%
b. 2.0 to 2.99	22.1%	20.8%	27.3%
c. 3.0 or higher	28.6%	39.6%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	62.3%	60.1%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	23.1	23.9	24.5
b. Completed	19.9	21.3	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	49.4%	45.6%	37.5%
b. 15 hours to 29.9 hours	39.0%	41.7%	43.6%
c. 30 hours or more	11.7%	12.7%	18.9%

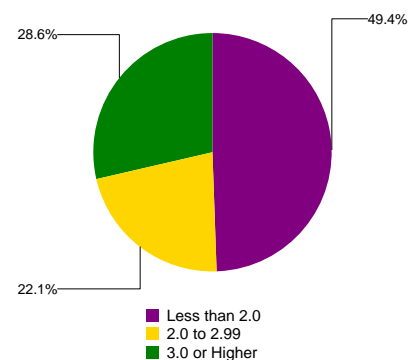

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.29	2.41	2.57
b. Not ready for college-level coursework	1.15	1.69	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	18.2	18.8	21.6
b. Not ready for college-level coursework	8.2	10.1	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	75.0%	78.4%	84.1%
b. Not ready for college-level coursework	62.1%	62.1%	63.9%

# Kentucky High School Feedback Report on College Success

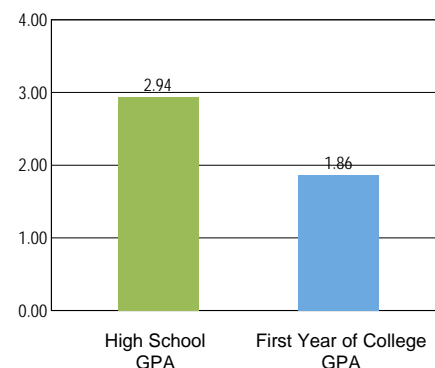

## High School Graduating Class of 2013

Pulaski County High School  
Pulaski County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	88.0%	90.9%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	35.9%	37.2%	33.7%
b. 2.0 to 2.99	21.4%	24.9%	27.3%
c. 3.0 or higher	42.7%	37.9%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	86.3%	87.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	24.5	25.0	24.5
b. Completed	22.3	22.6	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	36.8%	37.2%	37.5%
b. 15 hours to 29.9 hours	45.3%	41.9%	43.6%
c. 30 hours or more	17.9%	20.9%	18.9%

## High School Graduating Class of 2013

# Rockcastle County High School

## Rockcastle County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	93.8%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	35.1%	*	33.7%
b. 2.0 to 2.99	21.6%	*	27.3%
c. 3.0 or higher	43.3%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	76.3%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.1	*	24.5
b. Completed	23.4	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	39.2%	*	37.5%
b. 15 hours to 29.9 hours	36.1%	*	43.6%
c. 30 hours or more	24.7%	*	18.9%

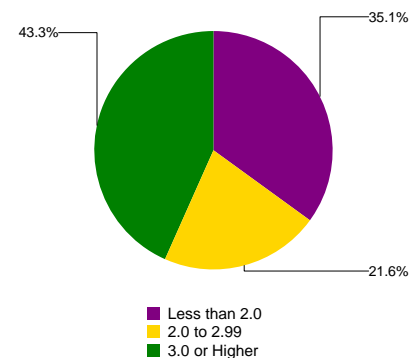

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.52	*	2.57
b. Not ready for college-level coursework	1.57	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	20.7	*	21.6
b. Not ready for college-level coursework	11.2	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	81.1%	*	84.1%
b. Not ready for college-level coursework	47.8%	*	63.9%

#### Quick Statistics

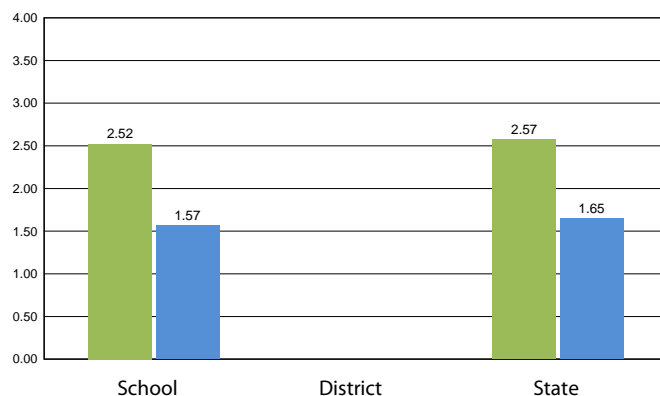

Percent with first year of college cumulative GPA of 2.0 or higher	64.9%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	24.7%
Percent of college attendees in 2013-14 who returned in 2014-15	77.0%
Average cumulative GPA for these college attendees	
a. High school	3.36
b. First year of college	2.30
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,629

# Kentucky High School Feedback Report on College Success

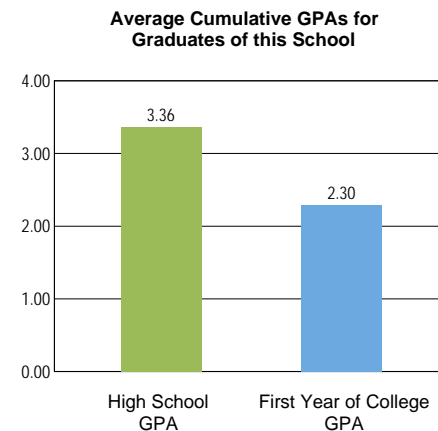

## High School Graduating Class of 2013

# Russellville Junior/Senior High School

## Russellville Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	80.0%	80.0%	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	50.0%	50.0%	33.7%
b. 2.0 to 2.99	40.0%	40.0%	27.3%
c. 3.0 or higher	10.0%	10.0%	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	50.0%	50.0%	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	22.5	22.5	24.5
b. Completed	21.1	21.1	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	53.3%	53.3%	37.5%
b. 15 hours to 29.9 hours	36.7%	36.7%	43.6%
c. 30 hours or more	10.0%	10.0%	18.9%

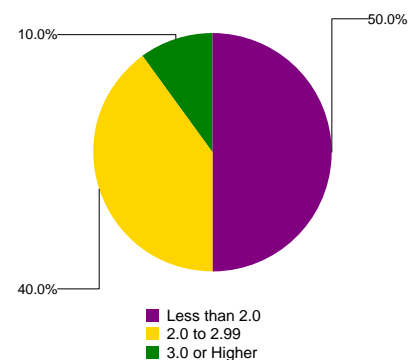

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.10	2.10	2.57
b. Not ready for college-level coursework	1.28	1.28	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	18.9	18.9	21.6
b. Not ready for college-level coursework	6.4	6.4	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	73.3%	73.3%	84.1%
b. Not ready for college-level coursework	60.0%	60.0%	63.9%

#### Quick Statistics

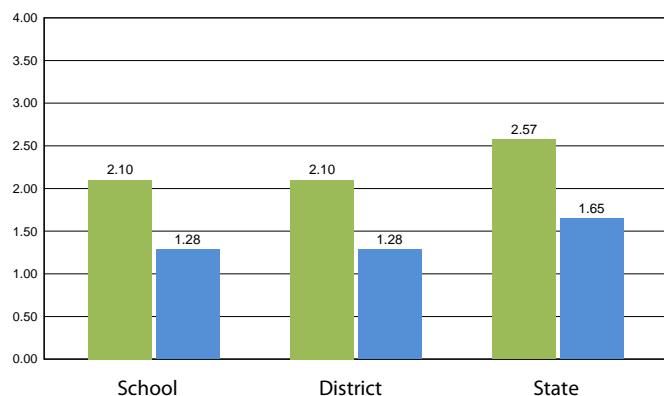

Percent with first year of college cumulative GPA of 2.0 or higher	50.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	10.0%
Percent of college attendees in 2013-14 who returned in 2014-15	70.6%
Average cumulative GPA for these college attendees	
a. High school	3.24
b. First year of college	1.69
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,502

# Kentucky High School Feedback Report on College Success

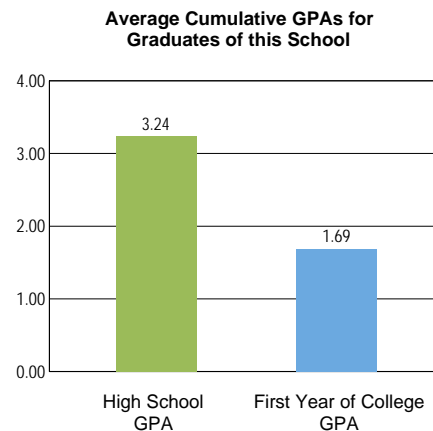

## High School Graduating Class of 2013

Silver Grove School  
Silver Grove Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	*	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	*	*	33.7%
b. 2.0 to 2.99	*	*	27.3%
c. 3.0 or higher	*	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	*	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	*	*	24.5
b. Completed	*	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	*	*	37.5%
b. 15 hours to 29.9 hours	*	*	43.6%
c. 30 hours or more	*	*	18.9%

#### Quick Statistics

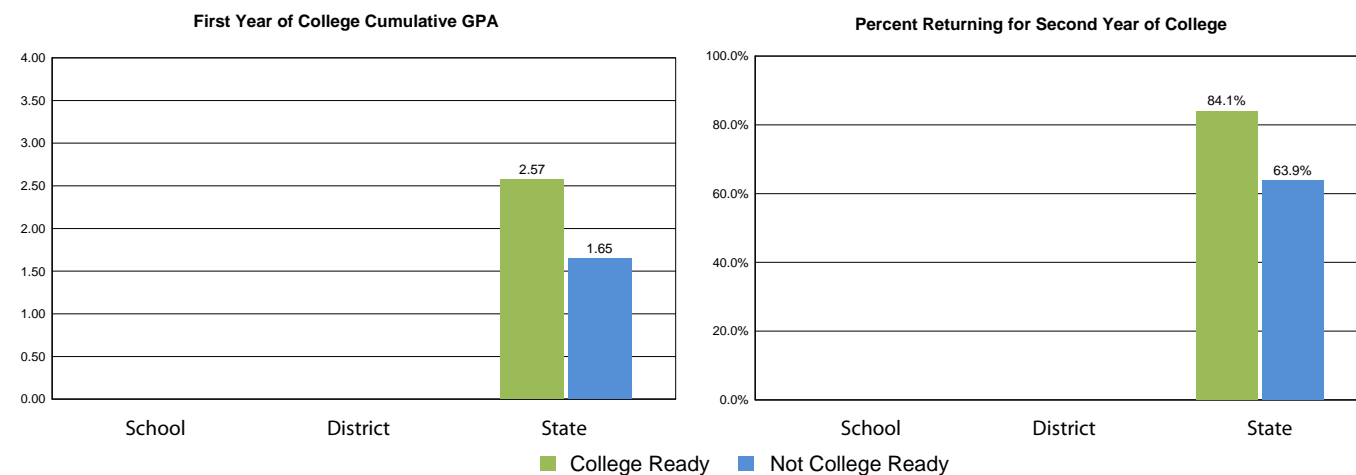

Percent with first year of college cumulative GPA of 2.0 or higher	0.0%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	0.0%
Percent of college attendees in 2013-14 who returned in 2014-15	0.0%
Average cumulative GPA for these college attendees	
a. High school	0.00
b. First year of college	0.00
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$0

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	*	*	2.57
b. Not ready for college-level coursework	*	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	*	*	21.6
b. Not ready for college-level coursework	*	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	*	*	84.1%
b. Not ready for college-level coursework	*	*	63.9%

Graph redacted due to small counts.

### Comparing High School and College Grades

	School	District	Kentucky
9. Average cumulative GPA			
a. High school	*	*	3.13
b. First year of college	*	*	2.29
10. Average cumulative grade in math			
a. Senior year of high school	*	*	2.85
b. First year of college	*	*	2.25
11. Average cumulative grade in English			
a. Senior year of high school	*	*	3.11
b. First year of college	*	*	2.63
12. Average cumulative grade in science			
a. Senior year of high school	*	*	3.00
b. First year of college	*	*	2.37

Graph redacted due to small counts.

### B. What types of financial aid did in-state public college and university attendees from this school receive?

#### State Aid

	School	District	Kentucky
13. Average Kentucky Educational Excellence Scholarship (KEES) award	*	*	\$1,444
14. State grants			
a. Average need-based grant	*	*	\$551
b. Average non-need grant	*	*	\$1,262

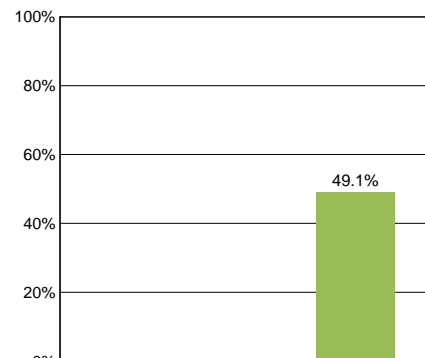

#### Federal Aid

15. Average Pell grant	*	*	\$3,970
16. Federal loans			
a. Average need-based loan	*	*	\$1,572
b. Average non-need loan	*	*	\$993

#### Institutional Aid

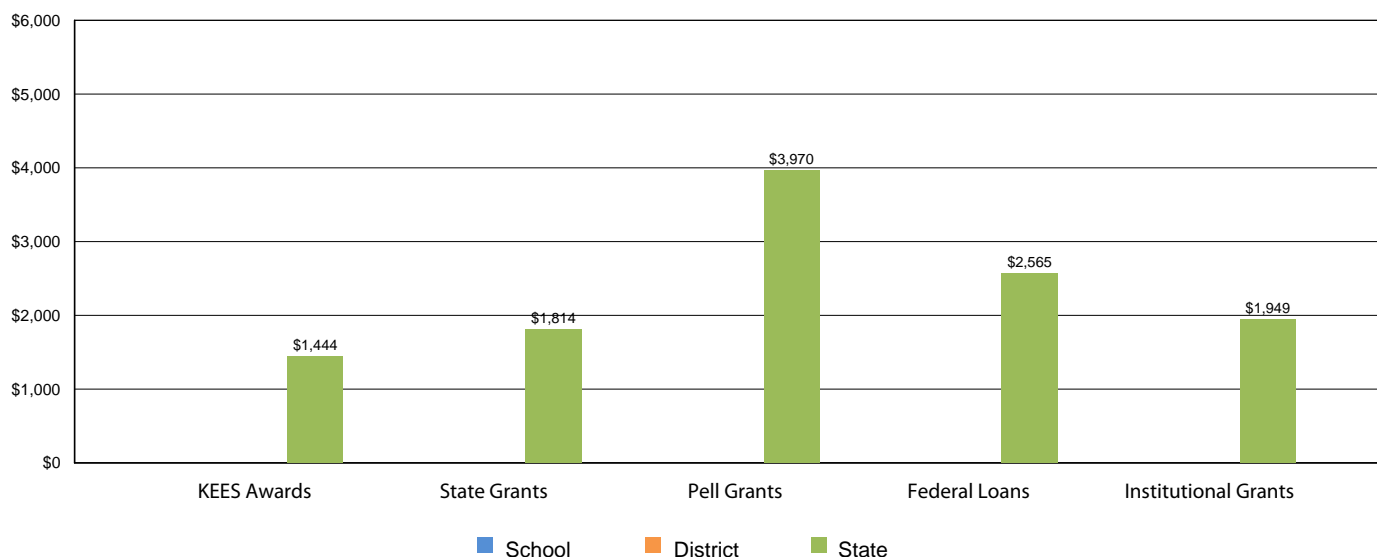

17. Average institutional grant	*	*	\$1,949

# Todd County Central High School

## Todd County

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky

# Kentucky High School Feedback Report on College Success

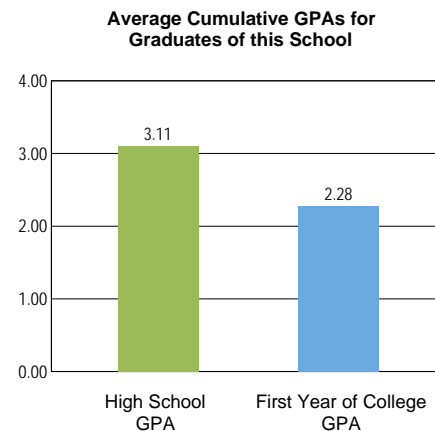

## High School Graduating Class of 2013

Walton-Verona High School  
Walton-Verona Independent

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

## High School Graduating Class of 2013

**Greenwood High School**  
**Warren County**

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	96.4%	91.4%	90.0%
2. Percent with first year of college cumulative GPA of

The Kentucky High School Feedback Report on College Success follows students who graduated from public high schools in 2012-13 and were enrolled at an in-state public college or university during the 2013-14 academic year. It is produced by the Kentucky Center for Education and Workforce Statistics utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education, Kentucky Council on Postsecondary Education, and the Kentucky Higher Education Assistance Authority. This report provides the most complete and accurate data about college success that exists for this school.

### A. How did graduates from this school perform in their first year at in-state public colleges and universities?

In order to ensure the confidentiality of individuals, some data items have been redacted. Redacted data are represented by an asterisk (\*).

	School	District	Kentucky
1. Percent of 2012-13 graduates who started as full-time students	93.5%	*	90.0%
2. Percent with first year of college cumulative GPA of			
a. Less than 2.0	33.1%	*	33.7%
b. 2.0 to 2.99	27.3%	*	27.3%
c. 3.0 or higher	39.6%	*	39.0%
3. Percent of college attendees who were ready for college and/or career (based on KDE's college and career readiness definitions)	77.3%	*	69.3%
4. Average credit hours in 2013-14 academic year			
a. Attempted	25.2	*	24.5
b. Completed	22.6	*	22.4
5. Number of college-level credit hours earned in 2013-14 academic year			
a. Fewer than 15 hours	33.8%	*	37.5%
b. 15 hours to 29.9 hours	45.5%	*	43.6%
c. 30 hours or more	20.8%	*	18.9%

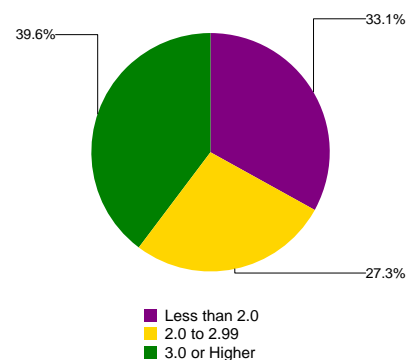

#### Comparing College Performance by College Readiness\*\*

6. Average first year cumulative GPA			
a. Ready for college-level coursework	2.59	*	2.57
b. Not ready for college-level coursework	1.62	*	1.65
7. Average college-level credit hours earned			
a. Ready for college-level coursework	21.5	*	21.6
b. Not ready for college-level coursework	11.0	*	10.1
8. Percent who returned for second year of college			
a. Ready for college-level coursework	85.7%	*	84.1%
b. Not ready for college-level coursework	71.4%	*	63.9%

#### Quick Statistics

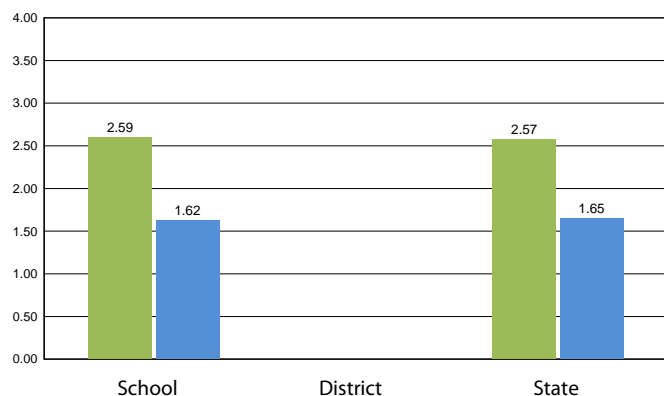

Percent with first year of college cumulative GPA of 2.0 or higher	66.9%
Percent who earned a full year of college-level credits during their first year (30 hours or more)	20.8%
Percent of college attendees in 2013-14 who returned in 2014-15	82.5%
Average cumulative GPA for these college attendees	
a. High school	3.02
b. First year of college	2.37
Average Kentucky Educational Excellence Scholarship (KEES) award amount	\$1,584

### Comparing High School and College Grades

	School	District	Kentucky
9. Average cumulative GPA			
a. High school	3.02	*	3.13
b. First year of college	2.37	*	2.29
10. Average cumulative grade in math			
a. Senior year of high school	2.60	*	2.85
b. First year of college	2.31	*	2.25
11. Average cumulative grade in English			
a. Senior year of high school	2.94	*	3.11
b. First year of college	2.94	*	2.63
12. Average cumulative grade in science			
a. Senior year of high school	2.70	*	3.00
b. First year of college	2.51	*	2.37

### B. What types of financial aid did in-state public college and university attendees from this school receive?

#### State Aid

	School	District	Kentucky
13. Average Kentucky Educational Excellence Scholarship (KEES) award	\$1,584	*	\$1,444
14. State grants			
a. Average need-based grant	\$412	*	\$551
b. Average non-need grant	\$1,227	*	\$1,262

#### Federal Aid

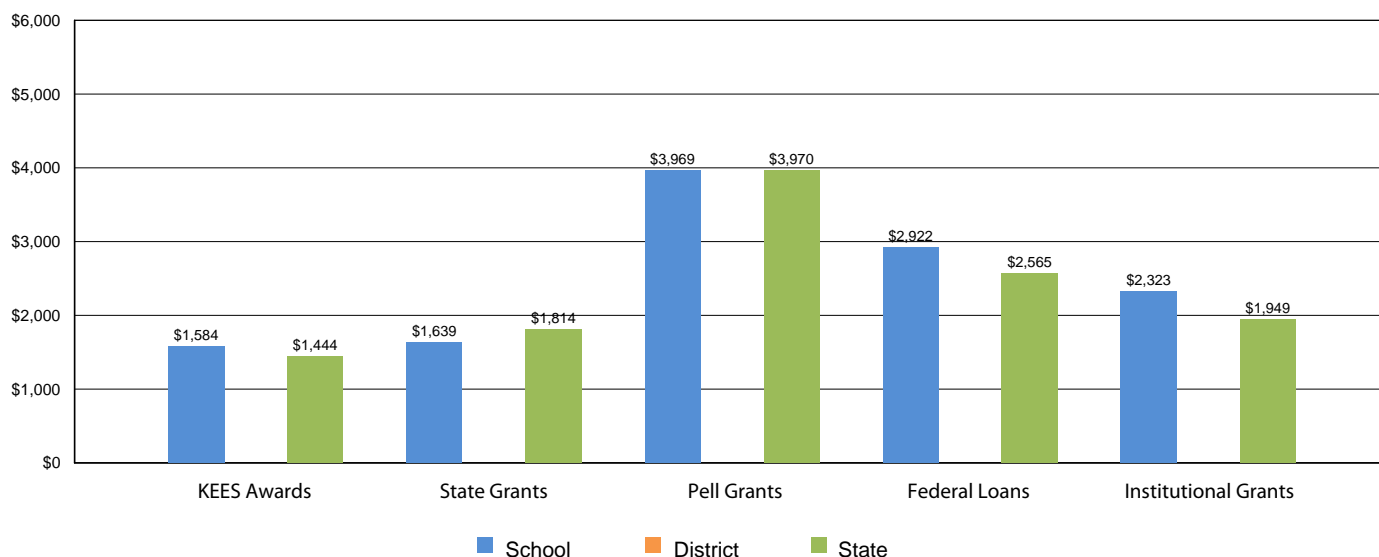

15. Average Pell grant	\$3,969	*	\$3,970
16. Federal loans			
a. Average need-based loan	\$1,968	*	\$1,572
b. Average non-need loan	\$1,003	*	\$993

#### Institutional Aid

17. Average institutional grant	\$2,323	*	\$1,949
