

High School Graduating Class of 2021

Burgin Independent

The Kentucky High School Feedback Report is produced by the Kentucky Center for Statistics (KYSTATS) utilizing data from the Kentucky Longitudinal Data System (KLDS), which includes data from the Kentucky Department of Education (KDE), the Council on Postsecondary Education (CPE), and the Kentucky Higher Education Assistance Authority (KHEAA). This report provides the most complete and accurate data about college-going and first year success that exists for this school. It provides data on students who graduated from public high schools in 2020-21 and were enrolled at a college or university during the 2021-22 academic year. **First year success looks at the subgroup of graduates who enrolled at an in-state public college or university only.**
