

Data for the Kentucky Postsecondary Feedback Report comes from the Kentucky Longitudinal Data System (KLDS). Employment data in this report are limited to workers employed in firms covered by the Kentucky Unemployment Insurance System. We estimate that covers over 90% of people employed in the state. The Postsecondary Feedback Report is divided into five sections. Section A gives a snapshot about a recent class of students. Section B gives employment outcome information about graduates. Section C provides information about students who transferred. Section D provides data about graduates who continued their education. Section E provides data about students who left in academic year 2012 without graduating or transferring.
